

DIARY NOTES

DD/S *[Signature]*

3 July 1956

25X1A5a1 1. Had a lengthy telephone conversation with Mr. Kramer, Public Information Officer for the General Services Administration, about a proposed press release concerning the contract for architectural services which has now been signed by [REDACTED] in connection with our new building. At my request he agreed not to make the press release, at least until after we had completed our Hearing before the Senate. *H*

25X1A9a 2. Dr. [REDACTED] our senior Medical Officer in the Far East, will be back on the 11th of July for not to exceed two weeks. 25X1A9a

25X1A2g 3. Dr. Tietjen has talked to Dr. [REDACTED] concerning Medical Staff participation in Project [REDACTED] and to Matt Baird about conflicting relations between the Medical Staff and the Assessment & Evaluation Staff of the Office of Training. He thinks that he is making satisfactory progress. *H*

25X1A9a 4. Asked Dr. Tietjen to send me a copy of the memorandum which requested a waiver for [REDACTED] Chief of Administration in the Technical Services Staff, in connection with his entry on duty.

25X1A9a 5. [REDACTED] reported that \$300 in checks had been forged recently by an individual at the Credit Union. The Office of Security is working on the matter.

25X1A6a 7. Talked to [REDACTED] and Shef Edwards about [REDACTED] desire to return to [REDACTED] for employment. We concluded that we would not like to have her elsewhere in the Agency and, therefore, I told George that I 25X1A9a thought she should be allowed to return with the definite understanding, however, that she was not to be in the policy or command channels.

25X1A9a 8. Dr. Tietjen tells me that he will be ready to make a final recommendation in the [REDACTED] case sometime in the near future.

9. Talked to [REDACTED] again about the need for [REDACTED].
It was agreed that I would force a decision as to whether we should ask Ted [REDACTED] to consider this possibility.

10. Met with Mr [REDACTED], in the presence of Matt Baird, at which time he agreed to the disciplinary action which I proposed to take in his case.
